## THE FIRST FULL GLAMPING SITE IN CROATIA, LUXURY GLAMPING IN ISTRIA'S PRISTINE NATURE

Perched at the edge of the Istrian peninsula, where the sky mirrors the azure of the Pomer Bay, Arena One 99 Glamping is a premiere in Croatia. First opened in 2018, as a completely reinvented space - an exclusive resort entirely devoted to glamping. It is a secluded sanctuary

tucked in the dense pine forest, only five kilometres west of Medulin and about eight kilometres south of the port town of Pula, where over three thousand years of history have left their mark on lifestyle, architecture, and culture. The fully equipped, air-conditioned glamping tents offer a home away from home just a few steps from the tame pebbly Pomer beach and the Adriatic Sea. Along with a variety of mindfully designed facilities, Arena One 99 Glamping makes a place for relaxing, resetting and enjoying nature with all the comforts of modern living.
